SPICES Forest Play

Join River's Edge Forest Play and Third Haven Monthly Meeting for a unique partnership bringing mindfulness and nature play to your tiny tot and you. This parent/caregiver and child program offers a mindful exploration of Simplicity, Pease, Integrity, Community, Equality and Stewardship as we immerse your child in the joys of nature on Friday mornings.

Young children will explore nature with friends in a full body, hands-on, messy play way! Parents are guided in how to play with your little one in the forest and create similar play experiences at home!

Sessions will be held on the peaceful grounds of the Third Haven Quaker Meeting, located at 405 South Washington Street in downtown Easton.
